## SUPPORT THE CHURCH IN CENTRAL AND EASTERN EUROPE

## RESTORE THE CHURCH BUILD THE FUTURE

I should no longer say that I have neighbors to help, but that I must myself be a neighbor to others.

—Pope Francis, *Fratelli Tutti*, no. 81

In the past 30 years, Croatia has undergone significant change. The end of the communist system was followed by the breakup of the former Yugoslavia, of which Croatia was a part. Today, although Croatia is a member of the European Union, the country's economy still struggles with poverty levels close to 20%, and many young people who are educated have difficulty finding jobs. At the same time, new and vulnerable populations such as seniors, people with disabilities, homeless people, orphans, and refugees bring both material and social needs. The communist legacy in this region destroyed civil society and volunteerism, but young Catholics in Croatia, guided by the Church's social teaching, are being empowered to reengage and make a difference.

The 72 Hours Without Compromise project is organized by the Student Catholic Centre Palma and engages young Croats between the ages of

16 and 30, in ten cities and one municipality, by promoting volunteer service to those on the margins. Project participants come together from Thursday evening through Sunday morning; they richly experience the Church's mission by attending the opening and closing Masses of the weekend and learning and applying Catholic principles of solidarity in service to those in need. In the course of service projects, these young people also learn skills they can then use to secure employment.

Support from the Church in Central and Eastern Europe Collection has helped make 72 Hours Without Compromise a success, extending it beyond the capital city of Zagreb into cities and towns across the country. When you participate in the collection, you help young people such as these participants to put their faith into action, rebuild the fabric of society, and acquire valuable skills that improve their job opportunities.

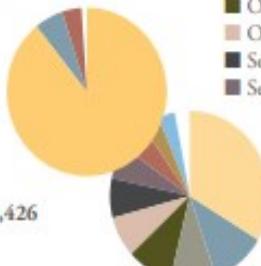

More information about the collection and the projects it supports can be found at [www.usccb.org/ccee](http://www.usccb.org/ccee).

## APOYE A LA IGLESIA EN EUROPA CENTRAL Y ORIENTAL

## RESTAUREMOS LA IGLESIA CONSTRUYAMOS EL FUTURO

Entonces, ya no digo que tengo "prójimos" a quienes debo ayudar, sino que me siento llamado a volverme yo un prójimo de los otros.

—Papa Francisco, Fratelli Tutti, no. 81

En los últimos 30 años, Croacia ha experimentado cambios importantes. La caída del sistema comunista fue seguida por la desintegración de la ex-Yugoslavia, de la cual Croacia formaba parte. Hoy, aunque Croacia es miembro de la Unión Europea, la economía del país aún se encuentra en un nivel de pobreza de alrededor del 20% y muchos jóvenes con instrucción tienen dificultad para encontrar un trabajo. Al mismo tiempo, hay poblaciones nuevas y vulnerables como son los de la tercera edad, las personas con discapacidades, las personas sin hogar, los huérfanos y los refugiados quienes tienen necesidades materiales y sociales. El legado comunista en esta región destruyó la sociedad civil y el voluntariado, pero unos jóvenes católicos en Croacia, guiados por la enseñanza social de la Iglesia, están siendo empoderados para retomar esos compromisos y hacer una diferencia.

El Proyecto 72 Horas sin Compromiso está organizado por el Student Catholic Centre Palma y compromete a jóvenes croatas entre los 16 y los 30 años, en diez ciudades y un municipio, al fomentar un servicio del voluntariado dirigido a aquellos que viven en la periferia. Los participantes en este proyecto se reúnen desde la noche del jueves hasta el domingo en la mañana; ellos viven la rica experiencia de la misión de la Iglesia, asistiendo a la Misa de apertura y a la Misa de clausura en ese fin de semana y aprendiendo y aplicando los principios católicos de solidaridad en servicio a los necesitados. En el curso de estos proyectos de servicio, estos jóvenes aprenden habilidades que luego podrán utilizar para conseguir un empleo.

El apoyo dado a la Colecta para la Iglesia en Europa Central y Oriental ha ayudado a que el Proyecto 72 Horas sin Compromiso tenga éxito, extendiéndose más allá de la ciudad capital de Zagreb a ciudades y pueblos en todo el país. Cuando ustedes participan en la colecta están ayudando a jóvenes, como estos participantes, a poner su fe en acción, reconstruir la estructura de la sociedad y obtener valiosas habilidades para mejorar sus oportunidades laborales.

### Third Century

### Feast Day—February 14

How February 14 came to be celebrated as the feast for lovers is somewhat a mystery. What little is known of the feast's namesake can be attributed to the lives of two martyrs: one a priest, the other a bishop. Their lives bear little resemblance to the contemporary holiday. The priest Valentine reportedly was beheaded in 269 by Emperor Claudius II. The bishop, known for healing, was martyred earlier. It's probable that a medieval custom of sending messages of love on this day merged later with the feast.

### Tercer siglo

### Fiesta—14 de febrero

Cómo se llegó a celebrar el 14 de febrero como la fiesta de los enamorados es un misterio. Lo poco que se sabe del homónimo de la fiesta se puede atribuir a la vida de dos mártires: uno sacerdote, el otro obispo. Sus vidas se parecen poco a las vacaciones contemporáneas. Según los informes, el sacerdote Valentín fue decapitado en 269 por el emperador Claudio II. El obispo, conocido por curar, fue martirizado antes. Es probable que una costumbre medieval de enviar mensajes de amor en este día se fusionara más tarde con la fiesta.
